IMiC Data Request Form: Secondary Analysis of Published Data

This form is intended for researchers requesting access to an existing IMiC dataset used in a published study. Please complete all sections of this form and submit the completed form to imic@umanitoba.ca.

If you have any questions or require assistance, please contact us at the email address above.

Date of Submission:

1 *Applicant Information*

Full Name:

Institutional Affiliation:

Institutional Email Address:

Phone Number:

Role/Position:

Supervising Principal Investigator (PI), if applicable:

Are you or your supervising Principal Investigator (PI) a member of the IMiC Consortium?

☐ Yes

☐ No

2 *Purpose of Request and Project Details*

Title of Proposed Project:

Research Question(s) and Objective(s):

Please outline the primary research question(s) and objective(s) of the proposed project.

Rationale and Significance (maximum 750 words):

Please provide a brief background and rationale for the proposed research, including its significance and anticipated contribution to existing knowledge.

Proposed Statistical Analysis (maximum 300 words):

Please describe the planned statistical approach for each research objective, including the proposed statistical methods and considerations related to sample size and statistical power, potential confounding factors, subgroup analyses, and sensitivity analyses, as applicable.

Proposed Collaborators and Authorship

Proposed Timeline:

Please provide the anticipated project start date, major milestones, and expected completion date.

Funding Source(s):

Research Ethics Approval:

Please indicate the status of institutional research ethics approval or exemption/waiver for the proposed research. If approval or an exemption/waiver has been obtained, please provide the reviewing institution and reference number, if available.

Intellectual Property Concerns:

Please identify any anticipated intellectual property concerns associated with the proposed research, if applicable.

Commercial Involvement (if applicable):

Please indicate whether the proposed research involves a commercial organization or commercial funding, and provide relevant details.

3 Identification of Requested Published Data:

Please provide the reference(s) and DOI(s) of the publication(s) associated with the requested data. Specify the dataset(s) being requested, if more than one dataset is described in the publication.

4 Additional Information

Please provide any additional details relevant to your data request, if applicable.

5 ***IMiC Review and Decision (For IMiC Use Only)***

IMiC Request ID:

Decision:

- ☐ Approved
- ☐ Approved with conditions
- ☐ Revisions required
- ☐ Declined

Date of Decision:

Comments:

Please provide any relevant comments, conditions of approval, or reasons for declining the request, as applicable.

Note: Approval of the data request does not authorize immediate data release. All applicable research ethics and data access requirements must be fulfilled before data are released.
